

Student Projectionist Application

Rules for serving as a student AV projectionist---Deadline for application: June 15, 2003

1. If you are attending scientific sessions, you must register and pay registration fees. Fee waivers are not granted.
2. You must attend the mandatory training session for projectionists on Sunday- July 27th , at 5:00 pm in the Arthur R. Outlaw Convention Center...Location to be announced.
3. You must serve as a projectionist for two to three scientific sessions, up to 10 hours of work.
4. Upon submission of a workform that must be signed by the presiders of your assigned scientific sessions, \$85 will be refunded to you after the meeting. This amount is the equivalent of fees for early student registration.
5. Student projectionists MUST work ALL assigned sessions to receive the refund. No partial refunds will be issued for work for less than the assigned sessions. Incomplete work assignments will result in forfeiture of the \$85 refund.
6. Scientific sessions will be assigned to you, although every effort will be made to match your preferred sessions to your assigned sessions. You will be notified of assignments by e-mail.
7. For additional work over and above 2-3 complete sessions or 10 hours of total labor, student AV projectionists will receive compensation of \$7.50 per hour of work.

Note: You will be contacted by e-mail before the conference to request your preferred session assignments and to pre-schedule your hours.
